

Welcome to Rillan: the beauty of Scotland - the comforts of home

If you are looking to get away from it all and surround yourself with peace and beauty - then visiting *Rillan* our self-catering holiday cottage at Drumnadrochit, Inverness – shire, is the answer.

Built, looking out across hills and a view of Loch Ness, *Rillan* has all the comforts of your own home but with the splendour and tranquillity of the Scottish Highlands.

Situated in the village of Drumnadrochit, it is an ideal location for those who wish to explore the wonders of the Scottish Highlands or visit some of Scotland's historic castles and sites.

Drumnadrochit is just 15 miles from Inverness and has much to offer. Home of the Loch Ness Monster Exhibitions you will have the opportunity to judge for yourself on the existence of the legendary Nessie! Boat trips on Loch Ness can be arranged. There is a Tourist Information Centre plus a selection of restaurants serving a variety of menus appealing to a variety of pockets.

If you like to walk there are many routes close by which are well sign-posted: to the shores of Loch Ness, or to the falls of Divach, or perhaps through the woods to the rear of the house where you will often see deer, birds of prey and possibly red squirrels! Climb high up and take in the picturesque view of Loch Ness - see if you can spot *Rillan* from your lofty position!

For cyclists the quiet roads on the south side of the loch are particularly suitable, while the north side includes the largely off-road Great Glen cycle route.

For the less energetic there is excellent fishing to be had in Loch Ness and the local rivers.

The famous Urquhart Castle is just two miles away has a visitors' centre plus magnificent views of Loch Ness. By car, the Isle of Skye is two hours away with magnificent views to be enjoyed along the way. Fort William (for Ben Nevis) one hour. The seaside town of Nairn with sandy beaches is just 45 minutes away. Glen Affric, one of Scotland's most scenic glens, is only about a 30 minute drive. These are just a few of the many places of interest that are quite close by and easily accessible.

ACCOMMODATION:

The cottage is equipped to a very high standard with an electric cooker, washing machine, microwave, tumble dryer, fridge/freezer, TV/video, radio and CD player.
